Camp Kwasind Announces Leslie Hall as their new Office Manager

TORONTO, ON (March 6, 2019) -- Camp Kwasind, a rapidly growing Christian camp in Muskoka that is highly invested in making summer camp fun, safe, memorable and affordable, announces today the hiring of Leslie Hall as their new Office Manager effective April 1, 2019.

As Leslie joins the Camp Kwasind staff team, she brings with her over 20 years of camping ministry experience - Cabin Leader, Craft's Director, Inclusion Co-ordinator, Assistant Director and during the past 7 years serving as the full-time Office Manager/Registrar at Ontario Pioneer Camp.

When asked why she was so interested in this role, she responded by saying, "My whole life has been about camp ministry, and I love the opportunity to come alongside visionary and strategic leaders and be able to help implement their dreams and create the systems to ensure that camp will be effective in seeing each camper take one-step closer to Jesus." She is a gifted leader who will seek to care for staff, invest well into families & campers, and provide high-level administrative leadership as Kwasind continue to grow as a camp.

Our Executive Director, Matt "Coach" Wilkinson has shared that "I have known Leslie for over twenty years and am absolutely thrilled that we have been able to add this level of leadership and expertise to our Kwasind staff team. We needed to ensure that we positioned ourselves to continue providing a high quality life-changing summer camp experience while at the same time increasing our administrative support to our summer staff, guests, campers and their families – Leslie brings the skill set, leadership and passion that will allows us to do this."

So, it is with genuine excitement and anticipation that we officially welcome Leslie, her husband Andrew, their three kids - Josh (9), Caleb (7), and Charlotte (5) to the Camp Kwasind family.

We invite you to send words of welcome and congrats to admin@kwasind.com and it will be passed along to Leslie.
